As our name say's HANDMADE , I use a wood router freehand and a Dremel router only, we do the work outside in the Florida sun, signs may not be fan?cy, but I can darn? near put anything you want on your sign you want, sports team's, football, baseball, hockey, soccer , basketball , camping, boating and the list goes on, like I said darn near, I use different font's, size letter's , layout's and different edge's, right now use pine 1x6 & 1x8 other size's available, sanded of course, stained and 3 coats of Manway Spar Urethane, costs from \$20.00 up depends on how much work goes into the sign, you can send me your ideas of what you want on the sign and I will give you a quote. Some of the pictures have not been route red as yet, we do not want to make alot of signs most are samples just send me your idea's and I will make up a sign for you to ok. Also feel free to contact me at 419-260-3105 or dennishammond506@yahoo.com.

SIGN'S MADE THE WAY YOU WANT OR CLOSE. These sign's are inexpensive , will make whatever you need up to certain point, so give me a call I will give you a estimate. A few are on paper yet getting ready to put on wood.
