Address: Valley, Juneau

Price: 300.00 \$

This couch is in excellent condition. We bought it just last year and it has done nothing but sit there. That being said, it's basically brand new. There are no stains, tears, or flaws of any kind. It comes with two small pillows. We just decided we don't really need it. Please feel free to email me for more information at: mariahladwig@hotmail.com
